Prayer meeting

This term's prayer meeting for the school is next Tuesday evening (30 October), 7.00 pm. This is one hour set aside to pray for our school. All most welcome!

Family Night Monday 5 November

We are holding a family night on Monday 5 November. The Board of Trustees will supply a barbeque and families can bring along a plate of finger food dessert. Come dressed up as your favourite book character and win a prize. We are starting at 6.00 pm and finish 7.30 – 8.00 pm, so you will have time to get home and set off some fireworks if you choose. There is a brief meeting at 7.00 pm to discuss the Strategic plan and Health program. We will email out copies of both of these later this week for you to comment on before the time as well. Come along for a good time of fellowship with the school community.

Trophies

Thanks to all those who returned their trophies from last year. Most are back, but a few are still sitting at home. If you have a trophy from last year, or know of someone with a school trophy, please return it to the school this week so that we can prepare for prizegiving this year. Prizegiving will be the evening of Thursday 13 December this year.

ABC Intake 2019

Do you have or know of a child ready to start school at the beginning of 2019? If they are not already pre-enrolled, please do that soon, so that we can start the orientation process this term.

Cell Phones

It is our practice not to have student cell phones at school, so that they are not distracted and can concentrate on their friends, play and work while here. If students need to have a phone while they travel to and from school, then it must be handed into the office when students arrive at school and collected at the end of the day. The school will not spend time looking for phones lost while left in bags or dropped from pockets. Any student with a phone at school that hasn't been handed in will have it confiscated and parents can collect the phone at the end of the term. Childhood, play and school are too precious to waste the time absorbed in a screen and in other people's worlds.

Speech and chess competition

This Friday, Mr Keddie is taking a team of students to compete at the annual Christian schools' speech and chess competition at Chapman College, Rotorua. This is one of our Kahui Ako activities. All the best to the team.

Two people are better off than one,
for they can help each other
succeed.

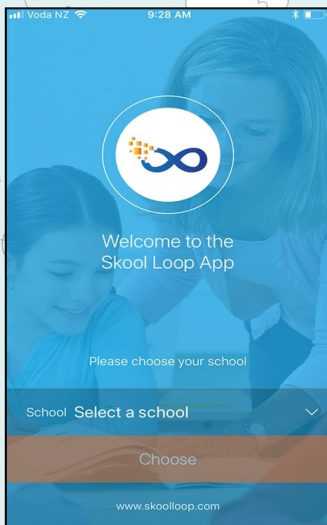

If one person falls, the other can
reach out and help. But someone
who falls alone is in real trouble.
